# Water hazards at home

**For parents, caregivers**

Scan for the web page, sources and downloads

## What this infographic says

**A child can drown in as little as 2 inches of water.**

- Empty buckets, bathtubs and wading pools right after each use.
- Put a latch or doorknob cover on bathroom doors.
- Install latches or locks on toilet lids.
- Take the drain plug out of the tub when it's not in use.
